EDUCATION

St. Theresa of Lisieux AP, Ontario

September 2020 - June 2024

Grade 12 Student at St. Therese of Lisieux CHS. Have been in the honor roll for each year attended thus far.

EXPERIENCE

VLS GROUP, Vaughan, Ontario — *Manufacturing Assistant High School COOP*

July 2023

Worked on control panels for automation controls. Gained plenty of electronics manufacturing skills and applied software skills to automate and create a barcode system which saved plenty of time.

Canada's Best Karate , Vaughan, Ontario— *Instructor*

June 2023 - Present Date

Teaching classes of many different sizes, ages and abilities, handling attendance and constantly learning are all part of the job. Requires plenty of patience, dedication and physical conditioning to be an instructor successfully. More than 7 years doing Karate with 3 years of instructor experience

CLUBS AND EXTRACURRICULARS

Robotics Vice President, Ontario

June 2023 - Present Date

Using skills such as leading, programming, and hardware from previous years to manage and guide new teams to greater heights in the coming season.

Robotics Team Co-Captain, Ontario

December 2023 - Present Date

Applied software and hardware skills. Lead teams through tough competitions through problem solving and communication. We qualified and participated in the Vex Worlds International Competition as a result of our hard work.

Robotics Club Member, Ontario

2020 - Present Date

Learned hardware and software skills online, and had one year with a team of 8 and qualified for the Ontario Provincial Level of Competition. Grew confidence in my skills.

Computer Science Club Member, Ontario

2020 - Present Date

The computer science club started my interest in computer science. It taught the members how to program competitively and develop software for whatever sparks their imagination.
